## **PRESIDENT'S LETTER**

**December 14, 2011  
Issue 11-03**

Dear NCDXA Charter, Honorary and Regular Members:

I hope each of you is having a wonderful December 2011.

I've just returned from the ET3AA Ethiopian trip yesterday and now getting excited about our NCDXA holiday dinner meeting this Saturday, December 17, 2011.

If you have not attended a meeting in a while for whatever reason, I would love to see each of you attend this meeting. Please check-out our new website [www.ncdxa.org](http://www.ncdxa.org) for the details and contact information on where the meeting will be held. Our club has over 40 members and it would be nice to see all 40 arrive if possible.

I think your attendance will be important since we'll be discussing some NCDXA change recommendations I have prepared regarding our club's By-Laws and also the August 2012 NCDXA DX Convention details that will be presented by Mike (W3MC).

It has been sometime since our club has issued awards. This year, we'll issue one DX-pedition of the Year Award, one DXer of the Year Award and four to five club member Special Achievement Awards.

In addition, I'll make a presentation on the "ET3AA Youth Project 2011"

Your participation and attendance in club meetings is valuable. As the new President of NCDXA, I clearly understand I have the ultimate responsibility for ensuring the club provides a valuable service to you as a Member. This includes creating a positive and participative environment.

I look forward to seeing each of you.

Sincerely

David Collingham  
NCDXA President
